

Lady J Syrah 2020

At Vrede en Lust we pride ourselves on producing premium wines. Our vineyards are meticulously cultivated, basking in the abundant sunlight and cooled by gentle breezes, creating the perfect terroir for exceptional grapes to thrive.

Our winemaking process is a harmonious blend of traditional craftsmanship and modern techniques, resulting in wines that exude elegance, complexity, and unparalleled quality. Every grape is handpicked with care, ensuring only the finest selection finds its way into our cellar.

Winemakers Notes

The grapes were harvested at optimal ripeness and fermented in stainless steel tanks. The Elgin and Simonsberg components were vinified separately. Pump overs were done 3 times a day to ensure optimal colour and tannin extraction. The wine spent 16 months in French oak barrels and was bottled under stelvin and cork closures.

Tasting Notes

"This wine is carefully handcrafted so as to produce a massively pleasing burst on the palate. It's soft and supple with polished tannins. Full bodied and generous yet elegant too. Maybe a hint of smoky bacon crossed my nose? But that savouriness is backed up quickly by ripe and delicious red fruit and then.... just a sprinkling of fine white pepper on the end. Perfect."
