VREDE EN LUST

VIOGNIER 2024

Premium Range

Vrede en Lust is a celebration of passion, heritage, and innovation in winemaking. Nestled in some of South Africa's most picturesque vineyard regions, our estate is dedicated to crafting wines that truly express the character of our terroir. With a commitment to quality and sustainability, we embrace both tradition and modernity, ensuring that every bottle reflects the care and expertise of our team; from vineyard to cellar.

In the vineyard & cellar

A collaboration of terroirs –this wine showcases the best of both our farms: The abundant aromatics from Simonsberg-Paarl, with the more refined aromas and intricate spice palate of the Elgin fruit. In February, each region's grapes are crushed separately, and the juice gets settled in stainless steel tanks. Fermentation took place in 225L French and Hungarian oak barrels and a small percentage in stainless steel tanks to retain freshness. Post fermentation, the wine was aged in barrel with lees stirring for 8-9 months prior to bottling.

Alc 13.84%

In the bottle

This wine is a beautiful expression of flavours that showcase the marriage of cool and warm climates. Aromatic wine that is both opulent and fresh, with succulent apricots and ripe peaches offering a burst of sweetness. Vibrant lemon and mango follow through with a silky texture and refined complexity.

TA 5.9g/l
