EVENT OPTIONS

EVENTS

Lust Bistro & Bakery is set in a restored heritage building with soaring thatched ceilings, exposed wooden beams, warm timber floors, and walls full of character. It suits a relaxed birthday & chilled lunch.

In colder months, our fireplaces make the space cosy and intimate. In summer, our shaded patio, one of the most popular spots in the house, can be reserved exclusively for private functions.

We're unpretentious but special: good coffee, a considered menu, and food people talk about on the drive home. Warm, welcoming, and delicious over fussy, every time.

Evening events available on request.

The Bakery

The bakery is where Lust Bistro & Bakery started, and it's still at the heart of everything we do. Every morning the kitchen comes alive with freshly baked breads, pastries, and sweet things made from scratch. The kind of baking that fills a room with a smell that stops people at the door. Our loaves, croissants, and daily bakes aren't an afterthought to the bistro; they're the foundation of it. For events, this means your breakfast spread or afternoon grazing table arrives with something genuinely homemade at its centre. We can put together bespoke bakery packages for morning events, grazing platters built around our fresh bakes, or custom cakes and dessert additions for celebrations. Just ask.

The Working Space

Lust Bistro & Bakery isn't just a great place to eat. It's become a go-to spot for people who want a change of scenery while they work. Our space lends itself naturally to the kind of focused-but-relaxed energy that a good café brings. Whether you're a freelancer looking for a few productive hours with excellent coffee, or a small team wanting to get out of the office for a working lunch, Lust Bistro & Bakery is set up for it. We have reliable WiFi throughout, plenty of natural light, and a menu built to fuel a proper workday. For teams wanting a private space for the morning or afternoon, we can arrange reserved seating, just get in touch ahead of time and we'll make it work.
